Dear Client,

Our records indicate that you have shown interest in the Weatherization Program. Enclosed you will find a copy of our current income guidelines, an application for Weatherization Assistance, instructions for filling out the application, an Authorization for Release of Fuel Information, and a Landlord Agreement form. In addition to these forms being completed, we will also need proof of income for the last 3 months. Social Security, wages, dividend's and/or interest, self-employment and unemployment are all considered wages. We will need copies of Social Security Cards for the applicant. We will need proof of ownership for those applications who own their homes. We will also need a copy of your electric bill and your propane bill.

The Landlord Agreement Form is only for those applicants who are renting their home. Please note that there is no cost to you unless the applicant resides in a multi-family complex of five or more units per building. While there is no requirement to contribute on rentals of up to four units per building, MOCA encourages you to consider a voluntary contribution that would be applied to your rental unit(s) being weatherized. This would allow MOCA to reduce the cost of your rental unit(s) being weatherized and stretch funding to weatherize additional homes in MOCA's service area.

When you have completed the application and have all requested items, you will need to return the application with all required information to the address listed above. Please make sure that you make it Attn: Weatherization Department.

If you know of anyone who would be interested in having their home weatherized, you may have them contact our office at the number listed above to request an application.

Please note that the Low-Income Weatherization Program is at no cost to you. This program is federally funded through the Department of Economic Development/Division of Energy.

Our goal is to make your home energy efficient to help reduce heating and cooling costs. If you have any questions, please call 800-876-3264.

## TERMS AND CONDITIONS

I hereby apply for weatherization assistance through the Low-Income Weatherization Assistance Program, or LIWAP, administered by Missouri Department of Economic Development' Division of Energy and implemented by the weatherization agency with whom I am filing this application. I authorize and direct any federal, state or local agency, organization, business or individual to release to the weatherization agency any information needed to verify my application for weatherization assistance. I further authorize and direct the weatherization agency to release information to other entities for the purpose of determining my household's eligibility for the LIWAP.

I authorize the release of my billing and utility consumption history from my utility vendors providing service to the residence for which I request weatherization assistance, and those vendors are hereby released from any liability for providing information to the weatherization agency.

I understand information relating to my eligibility application or participation in the program, such as name, address, or income information, are generally exempt from disclosure and requests for such information will be treated by the Department of Economic Development' Division of Energy consistent with the federal government's treatment of information requested under the Freedom of Information Act (FOIA), 5 U.S.C. 552, including the privacy protections contained in Exemption (b)(6) of the FOIA. A request for release of my personal information including but not limited to my name, address, or income information requires the Department of Economic Development' Division of Energy to balance a clearly defined public interest in obtaining this information against my legitimate expectation of privacy. If a legitimate, articulated public interest is found, the Department of Economic Development' Division of Energy may release my information in the aggregate with other recipients' information.

I understand that funds for weatherization assistance for my residence may be provided by federal and state agencies, utility vendors, and other sources, and I hereby agree that my information, to the extent not specifically required to be kept confidential pursuant to the federal Privacy Act and Freedom of Information Act, and Missouri laws including the Sunshine Law, may be released by the Department of Economic Development' Division of Energy to qualified personnel for research, audits, program evaluation or reports, with appropriate restrictions on the use of that information (i.e., not to be released to the public). If I receive LIWAP services, I specifically authorize the Department of Economic Development' Division of Energy to release information regarding my identity, address, weatherization services performed on my residence and other pertinent information, to my utility vendors or other appropriate entities for use in analyzing the effects of weatherization on utility usage, for other research, or for required reporting purposes. ### **Civil Rights Statement:**

No person will be denied or discriminated against in connection with any program or activity receiving federal financial assistance from the U.S. Department of Energy because of race, color, national origin, age, sex or disability.

### **Access to Residence/Conditions:**

I agree and understand the Department of Economic Development' Division of Energy staff, weatherization technicians and contractors must be given access to all areas of my home during business hours and on a reasonable schedule.

My signature below authorizes the Department of Economic Development' Division of Energy employees, the weatherization agency employees, contractors and subcontractors to enter my home as needed to perform energy audits, weatherization work and inspections of weatherization work and such persons will not be held liable for any injury or expense incurred by me while participating in this program.

I agree and understand that if my home is deemed unsafe or unacceptable for weatherization technicians, contractors or inspectors to perform their duties due to unsafe or dangerous conditions, presence of debris, clutter, mold, insect/rodent infestation, pets, threat of violence, etc., the project will be postponed until these conditions are corrected.

I agree to allow my home to be photographed for pre-and post-work documentation.

I understand that in order to weatherize my home, holes may be drilled in walls (particularly outside walls) to install insulation. I understand holes will be plugged as part of the weatherization service, but that it is my responsibility to paint the plugs used to fill these holes. I also understand that older vinyl or other siding may be damaged during this process.

### **Closing Certification:**
