### “Are You Ready for Step Up to Leadership”?

Step Up to Leadership is designed for income eligible community-minded people wanting to make a difference.

**The 12-session curriculum is designed to help participants:**

- Understand board responsibilities, parliamentary procedures, how to run a committee meeting, and public speaking tips;

- Understand themselves and others and who to build strong relationships; and learn in a safe and fun environment.

This program is offered free of charge to anyone who is interested in making a difference in their community and who is willing to commit to attending all 12 sessions.

**Each session is 3 hours long.**

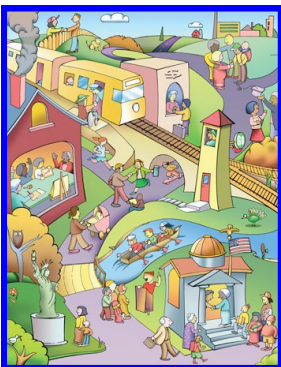

A \$10.00 stipend will be paid for each session attended to help the participant with childcare and transportation expenses.

Leadership graduates who participate in a community organization/group will be eligible to apply for a \$100 to \$500 mini-grant to support their group.

Applications will be reviewed for consistency with MOCA’s mission.

Step Up to Leadership classes are scheduled to be held every Tuesday from 9:00 am to 3:00 pm beginning April 5, 2011 through May 10, 2011.
