5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.				
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The Pulaski County Public Housing Authority's mission is to provide low-income households with opportunities to gain quality housing and to surmount economical, societal, and discriminatory barriers which may prevent this purpose.				
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. 1) To provide decent, safe, and sanitary housing for very low income families while maintaining their rent payments at an affordable level. 2) To ensure that all units meet Housing Quality Standards and families pay fair and reasonable rents. 3) To promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice. 4) To promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low income families. 5) To encourage self-sufficiency of participant families and assist the expansion of opportunities which address educational, economic and social integration. All PHA staff will be familiar with all programs offered by Missouri Ozarks Community Action, Inc., and will refer tenants to these services or any other services or programs that could be beneficial in their efforts to achieve self-sufficiency in the future. The PHA has made substantial progress in meeting the goals and objectives described in the previous 5-Year Plan. We have maximized enrollment, reduced the Payment Standards to 100% of the fair market rents. We have educated and engaged more landlords to participate in the Section 8 Program. We have implemented the Up Front Income Verification and we are starting to see reduction of incidents of unreported income.				
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: N/A (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. 8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. N/A</p>

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The following table reveals the number of low-income households with housing needs in the Pulaski County Public Housing Authority's Section 8 Service area. The figures are adjusted to 2008 levels based on population growth estimates.</p> <table border="1" data-bbox="224 716 1521 947"> <thead> <tr> <th></th> <th>Number</th> </tr> </thead> <tbody> <tr> <td>Population</td> <td>145,683</td> </tr> <tr> <td>Number of individuals in Poverty</td> <td>19,434</td> </tr> <tr> <td>Number of Cost Burdened Households</td> <td>885</td> </tr> <tr> <td>Number of Overcrowded Households</td> <td>274</td> </tr> <tr> <td>Number of Substandard Housing Units</td> <td>653</td> </tr> </tbody> </table> <p>Source: U.S. Census Data, CHAS Data</p> <p>In analyzing the local housing markets and developing strategies for addressing those issues, HUD suggests we look at need for housing, affordability, condition of housing and overcrowding of households.</p> <p>The PHA determined there is a need in our service area for more housing. We currently have 659 families on our waiting list.</p> <p>The percentage of families in poverty for our service area is 13.3%. This is a very high percentage of families without sufficient income to obtain safe, decent and affordable housing.</p> <p>The number in the table referring to Substandard Housing is a result of sub-standard plumbing. This number serves as a strong indication of one type of housing inadequacy.</p> <p>Overcrowding in our service area could indicate a lack of affordable housing in a community where households have been forced to share space because the unit size they want is not available, or it is too expensive.</p> <p>Many households are cost burdened as identified in the table above. This means the household is spending more than 30% of their gross income for housing. These individuals are then forced to make choices about basic needs as a result of their cost for housing.</p>		Number	Population	145,683	Number of individuals in Poverty	19,434	Number of Cost Burdened Households	885	Number of Overcrowded Households	274	Number of Substandard Housing Units	653
